Where Does Our Water Come From?

You have probably been learning about the water cycle at school. This means you should know all about how we get water on earth. You may also have learnt about water treatment to ensure our water is safe to drink. Can you find the words associated with this in the grid opposite?

- | | |
|---------------|---------------|
| Evaporation | Precipitation |
| Respiration | Reservoirs |
| Transpiration | Treatment |
| Condensation | |

Water Anagrams

We use water in some many parts of our life! We should remember to try and save water where we can. Can you unscramble the letters below to create a list of some of the places we use water?

- SWERIHGON
- OKCOING
- NDRLAUY
- WHAINSG UP
- IIDRNNGK
- SNGMMWII

Water And Our Body

Below you will see 3 pictures of organs in the human body. Can you name the organ and then say why water is needed by each one?

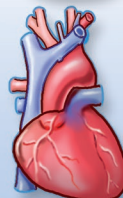

This is the
and it needs water because
